The doTERRA ATHLETE'S KIT

These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CPTG essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

* The doTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for-profit" business by working full-time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own doTerra business.

BLAIR-NTS-03

muffed in Macao

It was five in the afternoon,

Macao time. I walked over to the front desk of the new fab resort I was staying at and asked where a good nightspot was that I would have fun at later. I didn't want to go to anywhere too touristy. I wanted a real place, where there were few rich goofs from Asia flaunting themselves. I hate that. I wanted to be around people like me, real people. The resort receptionist told me about a yacht anchored in Nam Van Lake opposite all the hotels and casinos. There were tourists she said, but they mostly came on the weekends. The rest of the week was mostly locals, she told me.

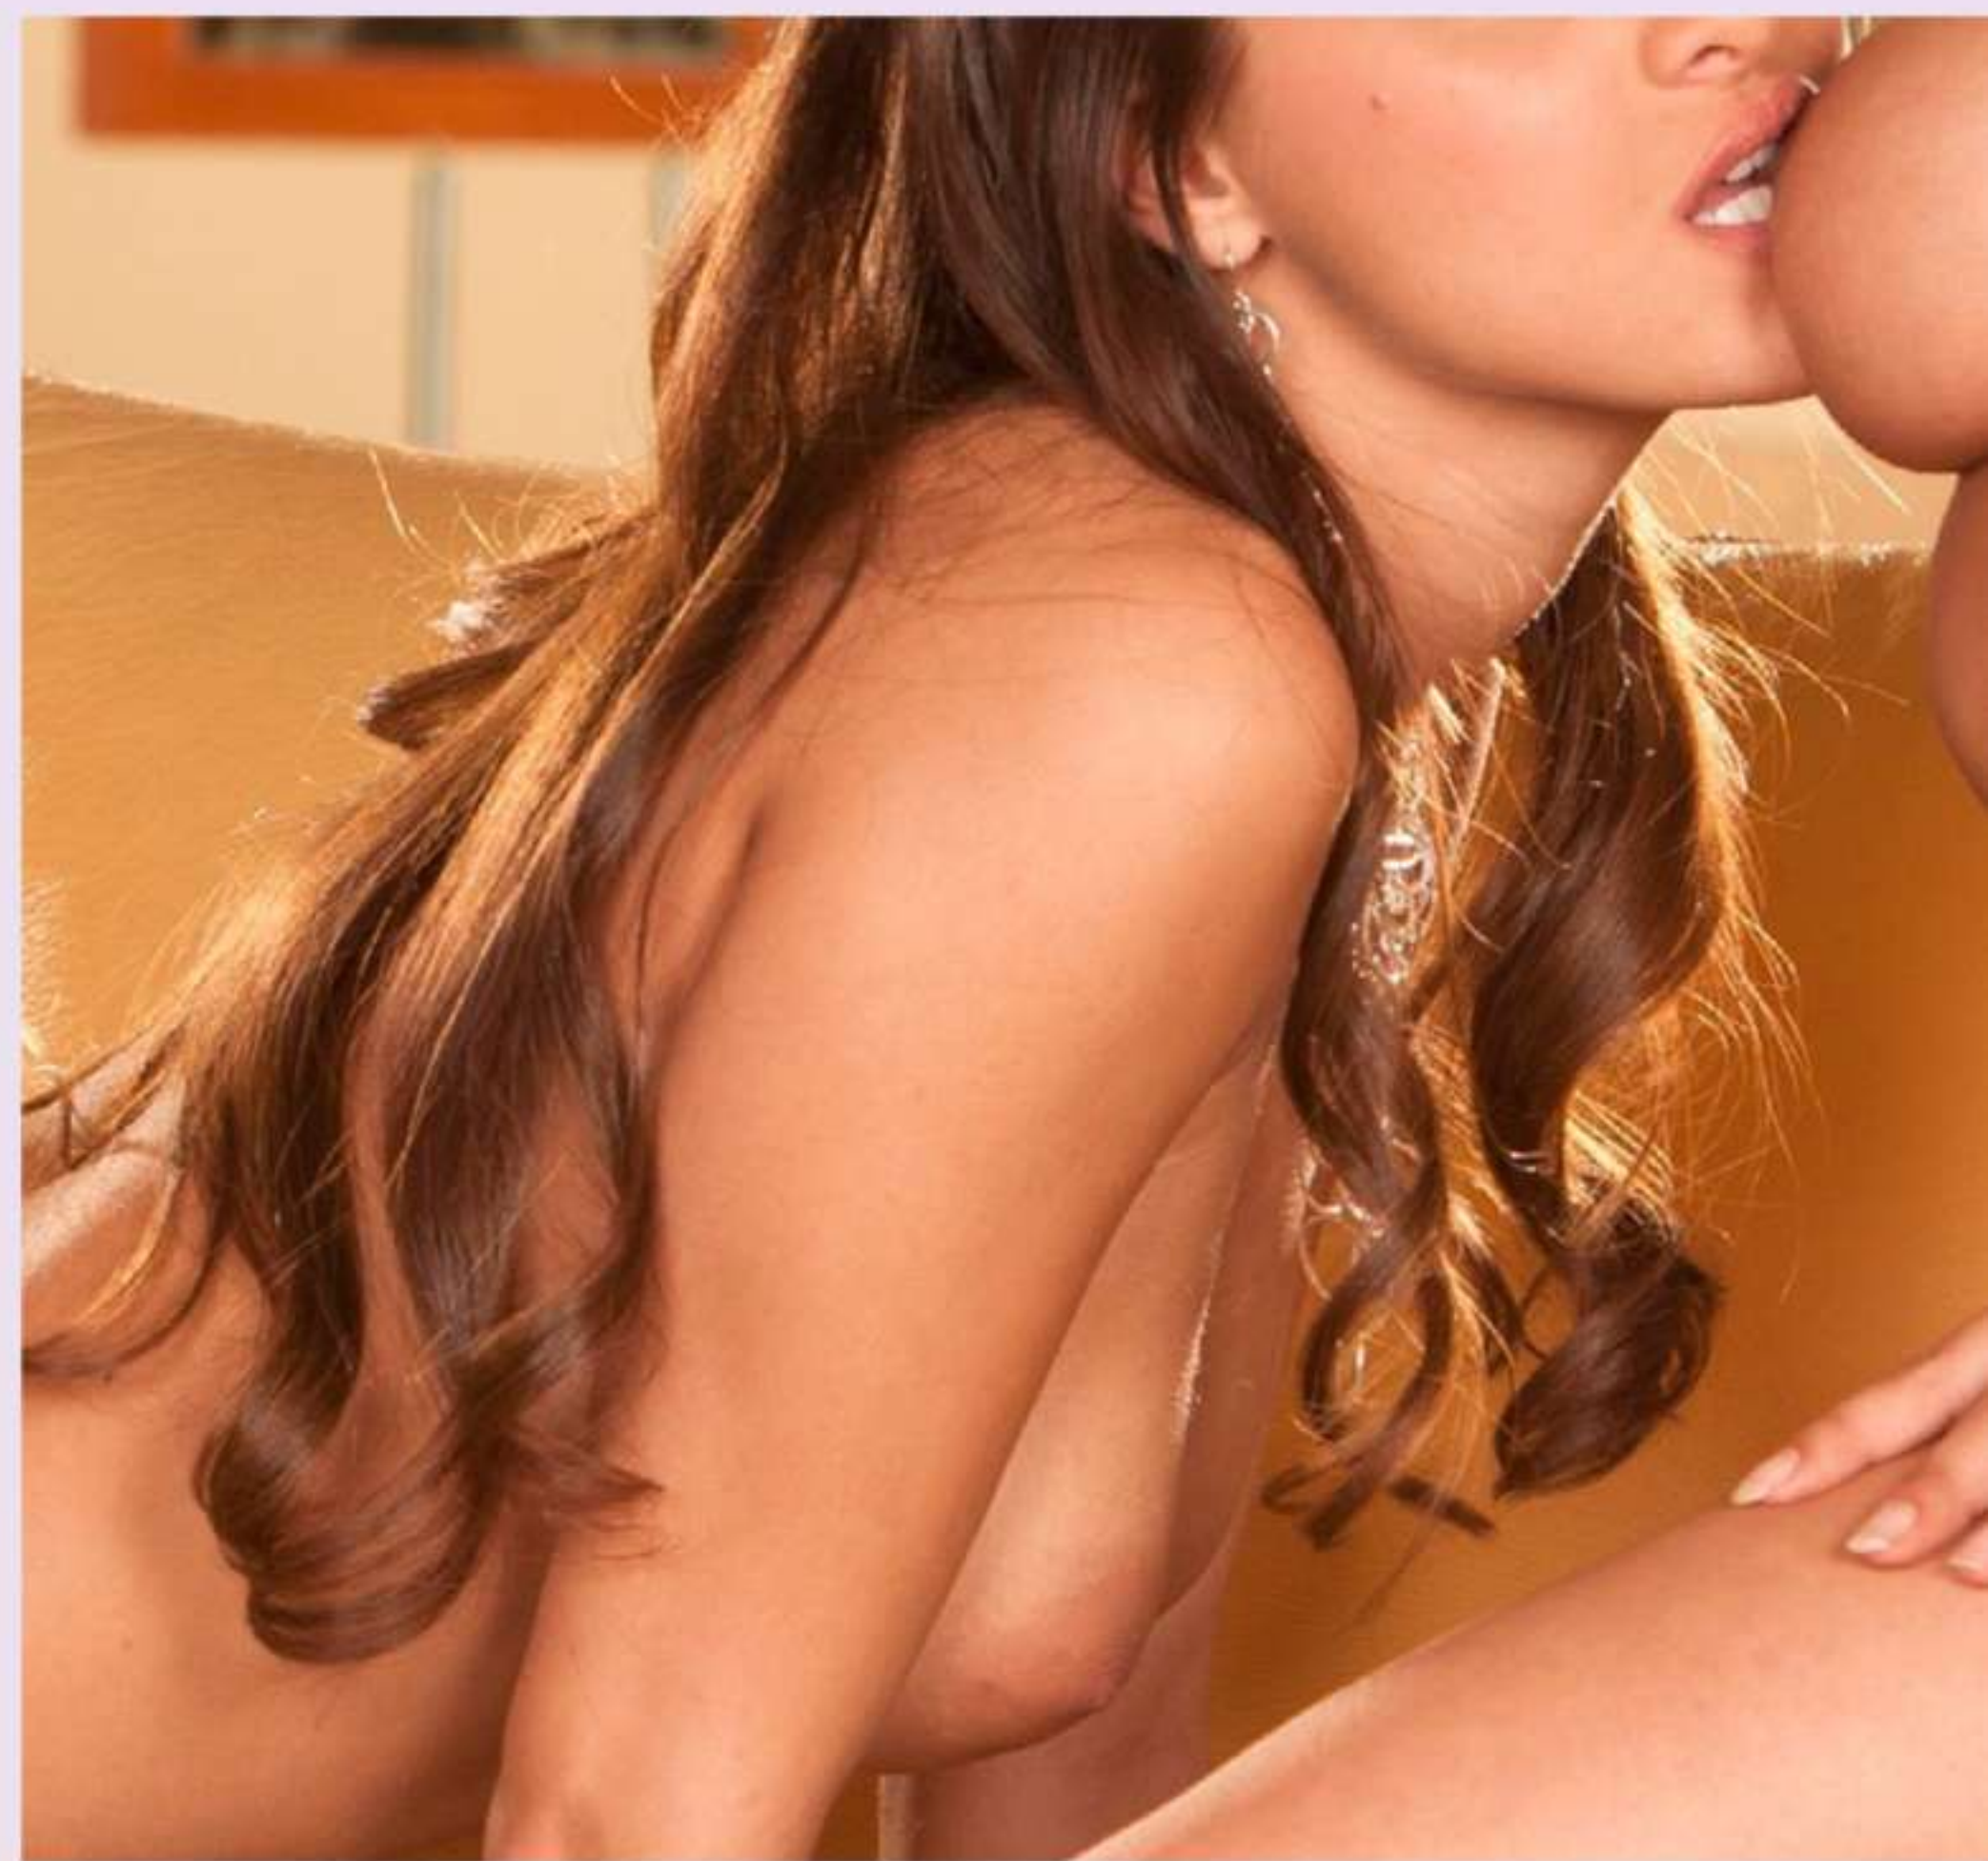

Back in my room, I went through my closet and pulled out a cute little outfit that I thought would be perfect. I'm about 5' 2" with longish black and translucent white skin. I took out my highest heels and found a skirt that came down several inches below my butt. My blouse was a deep blue. I wore a half bra that pushed my boobs up to accentuate my cleavage. I looked at myself in the mirror. I thought my perky breasts looked quite provocative and my butt looked nice and round. I thought my outfit should be a bit more modest this first night out because I did not know who I would encounter. Cooped up all day in corporate meetings and seminars was not a good indication of what people wore to party. This is my last day in Macao before my flight to San Francisco tomorrow night.

"Miss Huan, may I call you a taxicab?" the hotel concierge asked with the slightest Chinese-British accent. "Yes please, that would be great." I replied.

I head out about 11 pm and the cab took me around the lake edge right to the yacht. The receptionist wasn't kidding; the crowd waiting to get on was not touristy at all. It was bright and a bit gaudy, but we were not leaving the dock. There was a big bouncer at the foot of the gangway with a small line waiting to pay and get on. The music was blaring so loud I could hear it clearly outside. A combination of reggae and funk right here on the Chinese coast. Good dance beat, I thought to myself as I went onboard.

There were multi-colored lights all over the yacht and a concentration in the middle that seemed to be set up as a dance floor. I worked my way around the tight aisles and tables and found the bar and ordered a drink.

I grabbed a stool sat down to look the place over. There were lots of people here. It was bigger than it looked from dockside. I finished my first drink and it gave me the courage to head out to the dance floor. The open air with endless sky as the ceiling made this a different location than

the typical dance club. Plus the slight sway of the boat made me think I was drunker than I really was.

I made way to the dance floor. I easily picked up the beat and began to move to the music. The small floor was crowded and people kept bumping into me but no one seemed to mind and neither did I. I just had to get used to it because it was not going to change. I lost myself in the music. I felt someone bumping into me from behind. It was kind of nice and anonymous so I took a step back

I felt tingles travel along my spine and the longer we danced the more turned on I got.

and let my ass rub against them. The music ended and I thought the person behind me was going to leave. Immediately a new song started, a little slower than the last and to my surprise I felt their hands move around my waist and as they leaned in closer, I felt boobs pressing against my back. A girl? I could smell her shampoo. I felt tingles travel along my spine and the longer we danced the more turned on I got.

The song ended and she tugged at my hips. I turned in time

to see her back to me, leading me over to her table. I had not yet seen her face, but from behind she was pretty hot looking. Long black hair, nice round butt and a long slow gait that made her glide across the floor. "So where you from?" she asked in a mild British accent, turning around

so we saw each other for the first time. "California." I said. We made light conversation as we felt each other out. She said her name was Lisa and she worked at one of the casinos. Out of nowhere she asked if I wanted to get some fresh air. I laughed because we were already outside. I said "Sure..." and we left the yacht.

We walked a few blocks along the lakeshore. The waves were quiet, but shimmered in ever-changing colors reflected from all the light across the way. "This can be very intoxicating," she said. She grabbed my hand and looked up at me. "What are you looking at?" I asked. "Oh nothing." She leaned in and kissed me. I was shocked. We walked for a while longer in an awkward silence and ended up in a picnic seating area. The moon was large and bright and turning to me, she pulled me over to her and kissed me again. This time I let the sensation last a little longer as it ran from my head to my toes. As I did, I began to feel her soft lips and even softer tongue exploring mine. I responded slowly and she was patient with me. As this was going on, I thought that perhaps I should have been more cautious about being with a complete stranger in the middle of night.

We stopped and looked around for a spot on the ground. She laid her maroon cape down on the grass and sat next to me. She undid my blouse and pulled my breasts out from the bra. Her warm breath against my skin sent waves of excitement up my spine. She flicked her tongue over my hardening nipples as her hands worked my skirt up past my hips. My panties were slipped off so quickly I did not even feel them come off. She didn't waste any time, I thought, and it was starting to make me a little uncomfortable. I grabbed her hair to pull her off, but I felt her press her face against my mound. I lost my thoughts as a tingling sensation swarmed my body.

She flicked her tongue over my hardening nipples as her hands worked my skirt up past my hips. My panties were slipped off so quickly I did not even feel them come off.

After a few moments I slipped a couple fingers deep inside her and I felt her muscles squeeze tightly around it. I continued to lick and suck on her clit as I worked my fingers in and out of her sweetness.

I had been with a couple girls before but that was college hi-jinx at USF, so I was not too uncomfortable with it being a woman down there. I looked down at her as she rested her chin right at the top of my slit. With a final look down she plunged her tongue into my wet pussy. My moans were lost in the warm humid night. As her tongue circled around my clit, never actually touching, I whimpered and squirmed. I was so horny, I wanted her to tongue fuck me, not tease me. Her tongue finally ran over my clit setting fireworks off in my body. I quickly slipped my fingers into her thick hair and began to grind

She tightened her thighs around the side of my head as I ate her out. She tasted delicious, sweet and salty at the same time. My tongue wagged wildly over her clit and plunged deep into her wetness like a little cock. After a few moments I slipped a couple fingers deep inside her and I felt her muscles squeeze tightly around it. I continued to lick and suck on her clit as I worked my fingers in and out of her sweetness.

Lisa writhed around like someone possessed and tightened her grip around my head with her thighs. She was

my hips against her face. Faster and faster she swirled her tongue over and around my throbbing clit until I exploded. My juices flowed freely into her mouth. She buried her face into my pussy causing my climax to go higher, and coat her face in my slick fluids.

My orgasm quickly faded and I sat up and rolled her over. I wanted to taste her! It was now my turn. I quickly removed her lacy panties. Her skin glistened in the moonlight and I went straight for her pussy. My nose was filled with her musky scent. I playfully licked her pussy lips and watched her squirm before slipping my tongue deep into her pussy.

going to cum. I licked harder and faster, her short pubic hair tickling my nose. I put a hand under her ass and began to massage her butt cheeks, adding to her fervor. I felt her hand grab a bunch of my hair and push hard. Her pussy began to spasm and her juices covered my fingers. She shuddered and spasmed and then her moans died out. I moved my way up her body and kissed her deeply, our juices mixing in our mouths.

We lay there for a while, gathering the strength to stand up. Once we did, we went back to the yacht and back out onto the dance floor. This time we danced face to face.

there was more than art opening at Layla's

Layla was to be attending my roommate's opening at her own downtown gallery. She was a bit of an art snob, but a true patron. All the art gallery employees said to watch out for her. But I just did as I normally would and went to the opening with the intention of getting through the evening and then going home to a cold beer and free porn on the tube sites.

As it turned out, the night ended up being a lot of fun with good food, lotsa beer and some pretty cool people. And the some of the chicks were hot, too. Others were a bit too freaky looking for my taste, but when I talked to them, they actually seemed pretty normal. But overall, the coolest part was the open bar. All the drinks you could want and what could be so wrong with that? After a few I actually thought I could understand the art exhibited on the walls.

While standing at the bar, I overheard a conversation between Shen, my roommate, and the exhibition installer. They were talking about a body painting exhibit in the gallery down the hall. Being one that can appreciate all kinds of art, especially after a few brewskis, I joined in the conversation and learned that they were just staring to paint the nude female models.

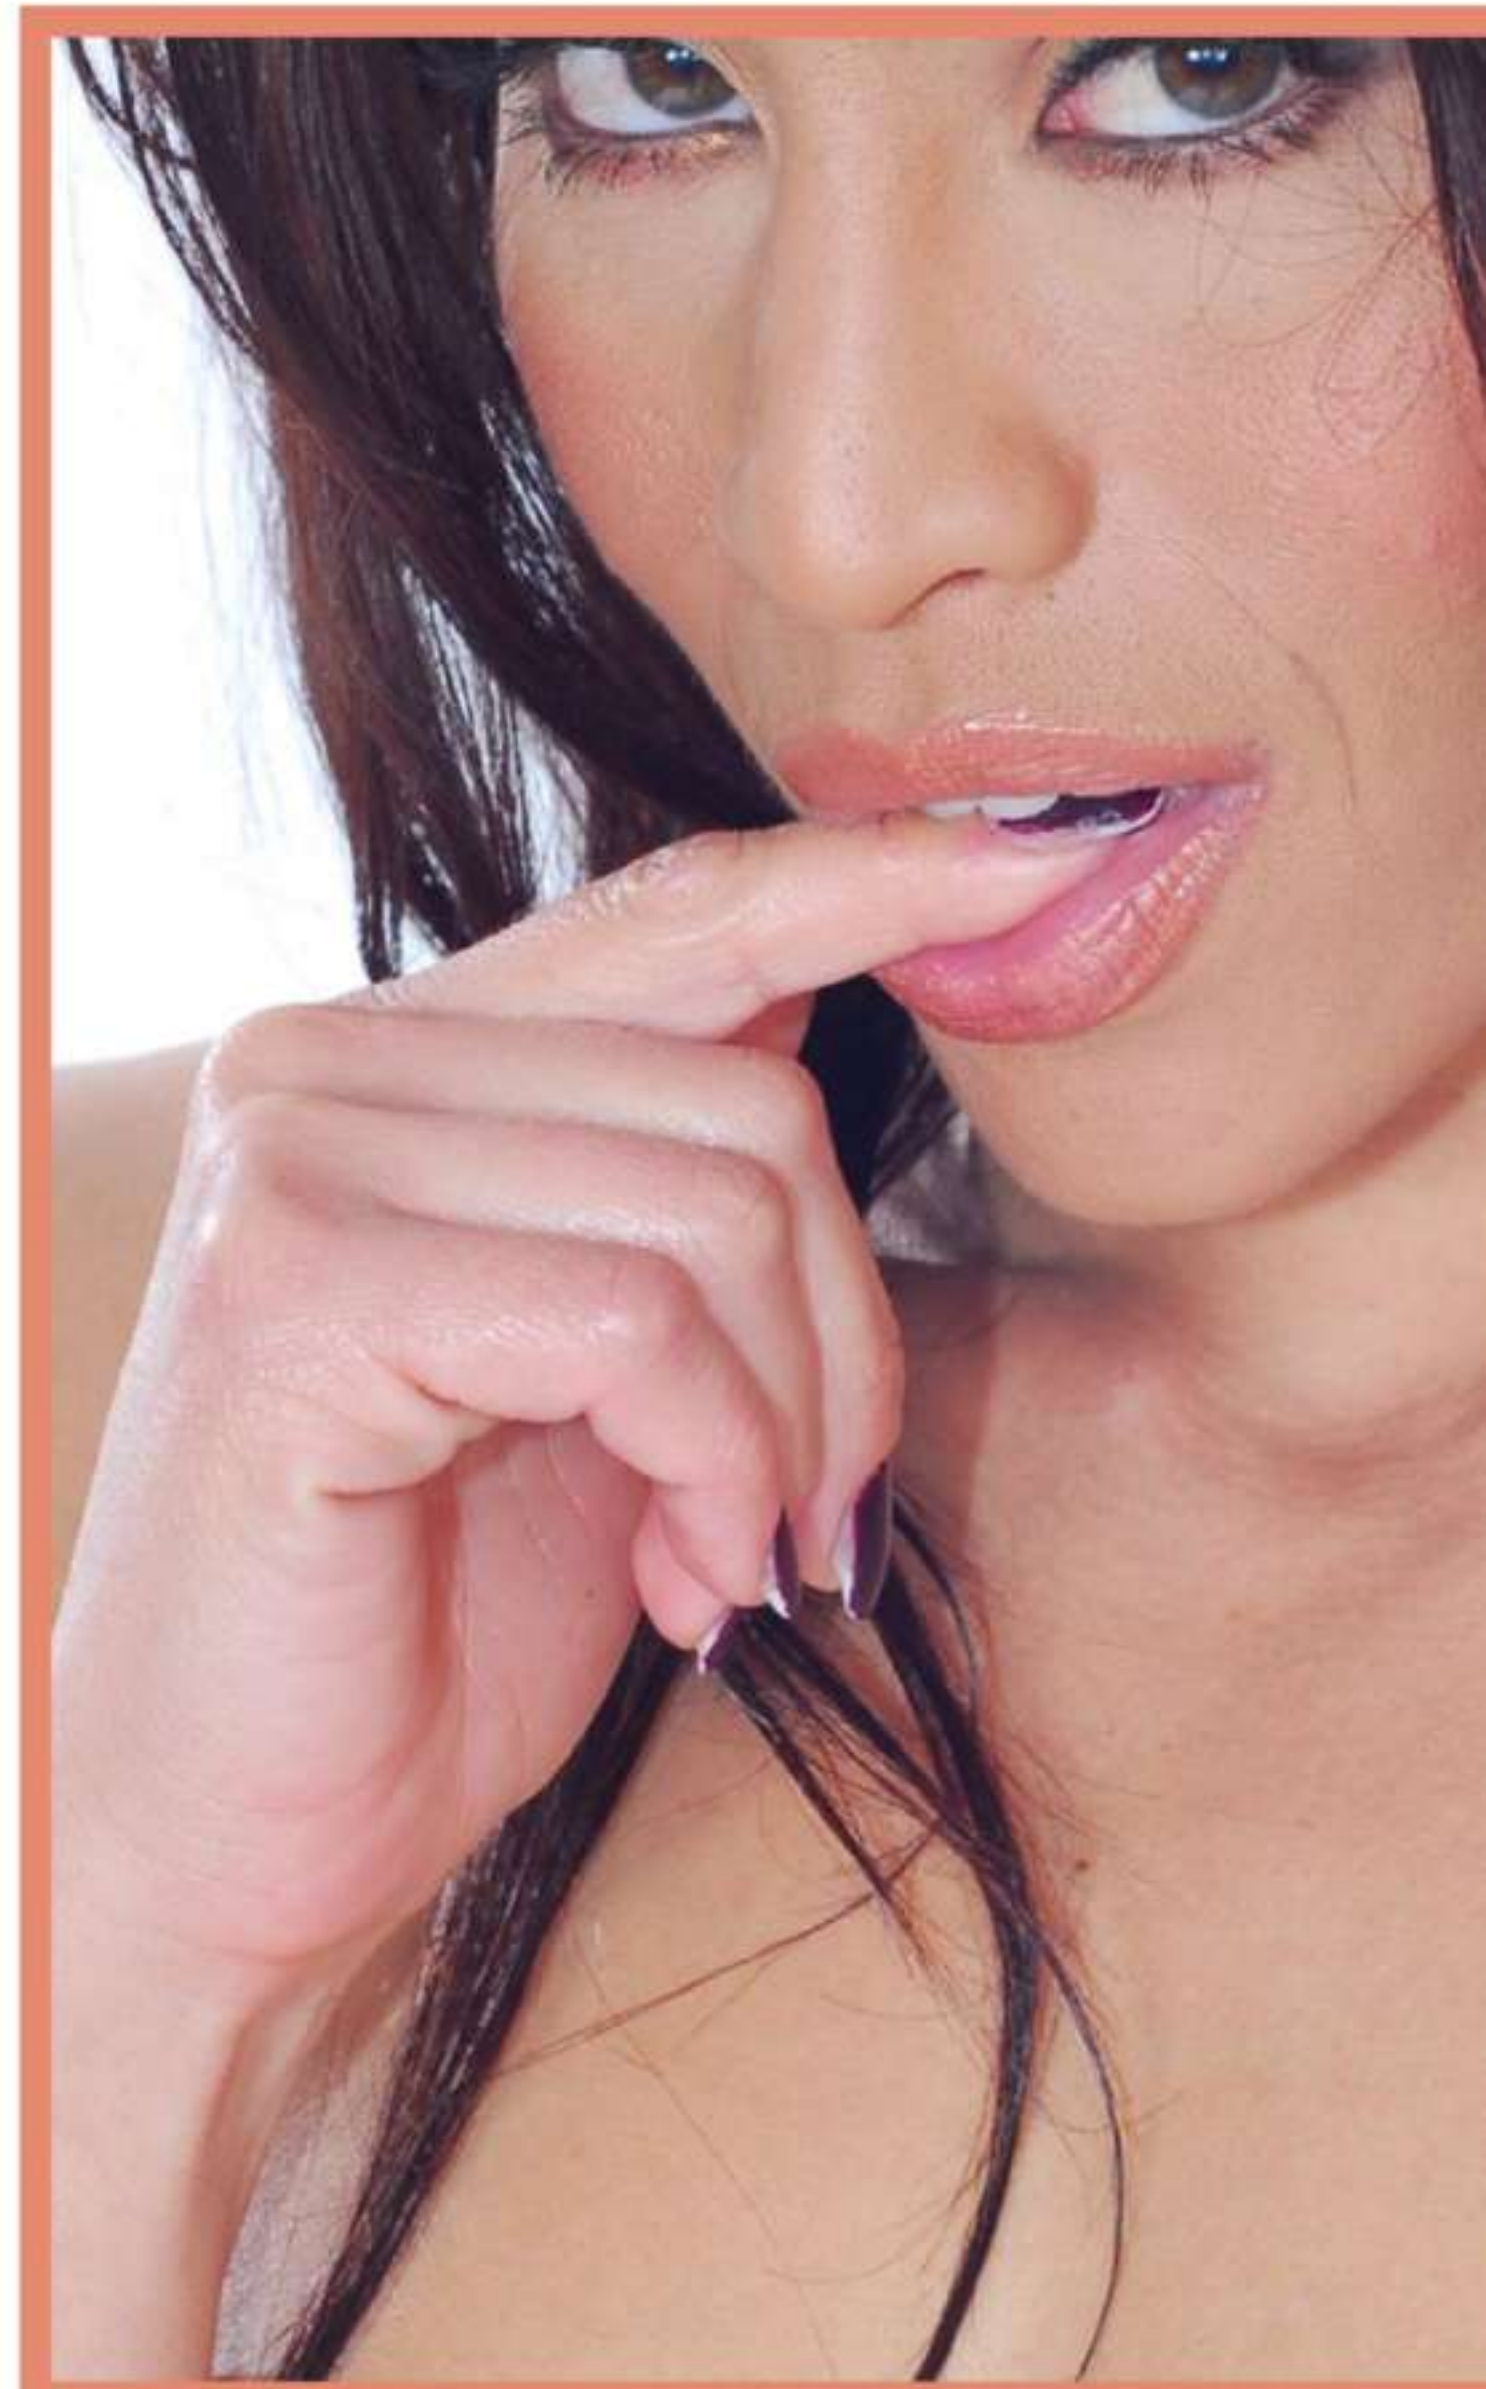

"You should have come to tell me." I joked to Shen.

"And miss some of the painting. Besides, it's going to be on for a couple hours yet tonight." he said.

I decided to go have a look myself, since it was another opening. When I got there the models and artists had paired off into their respective areas and the airbrushes were hard at work. I counted six models and all of them topless; only little flesh colored panties protected their most private of parts from the intrusive paint, and painters, I thought. There was a small crowd of onlookers for every group. They would stand back and whisper to each other about the happenings, and then move to the next one. I thought this would be really funny if it was filmed and then speeded up. Kinda Benny Hill-ish, when he gets chased by those scantily clad Brit birds around a park.

As I was about to leave, a big smile still spread across my face, Layla wandered into the gallery. I don't know her, but overheard one of the artists mention her name. They told her the exhibition she wanted was down the hall. Excusing herself, she gave one last amused glance around the room and headed out the door. I watched as she exited and thought that was fine piece for 30 year old ass. Her black pencil skirt hugged her hips. Black stilettos made her gams look good and three long strands of pearls teased her cleavage. Could her personality be so bad?

I counted six models and all of them topless; only little flesh colored panties protected their most private of parts...

I followed her back to Shen's opening at a safe distance, but still caught a wiff of her perfume. Issey Miyake, I reckoned. Sweet but sassy. A sophisticated yet youthful scent. Back inside the gallery, I saw her mixing it up with some of the others as I walked over to the bar. I stood off to the side and when the barkeep came over to get a bottle of tequila, I asked him if that was Layla. He nodded as he looked up to confirm that it was.

As I focused on her, I noticed she was walking over to bar, empty glass in her hand. Stopping a few away from me,

she asked for a refill of her Manhattan. As the bartender pulled the bottles, she glanced over my way and I forced a stupid smile. Not impressed, she looked at some of the art that was hanging behind the bar. Excusing himself for a moment, the barkeep told her he was out of bit-
ters and would be right back.

"Shen is my roommate." came stumbling out my mouth.

Glancing back, she quizzes, "Shen?"

"You know, the guy who painted this stuff." I said back to her, and what I got back was a totally unimpressed "Oh."

By now the barkeep had returned to save me from further embarrassment. Fulfilling her drink, he hands it to her and she takes it and a couple steps, then looks back at me, raises her glass and says, "Nice talking with you." and smiles. I nearly peed my pants and it wasn't because of the beer.

The rest of the evening went on without a hitch and as the last of the patrons were leaving I went over to Shen shaking hands with Layla. They engaged me in their artsy conversation for a minute and Shen thanked her for coming down.

"Coming down?" I asked.

"From my studio loft upstairs." she said, "Would you two like to join me for a nightcap?" Shen didn't hear her as he was saying goodbye to someone else. I tap him on the shoulder and tell him she's invited us upstairs. He looks at her and she nods.

We take one of those funky freight elevators up four floors and she opens the doors to reveal a beautifully decorated loft, sparse in furniture and long on open space. Layla had dark ironed-straight

hair and a nice rounded figure. My mind began to wander into mentally stripping her and playing weird sex games with her. She switched on the light and threw her bag on the bed in the middle of this big space. I seemed to dominate the loft. As I got accustomed to the light, I noticed there was nothing else in there besides a dining table and chairs.

"Would you gentlemen like a drink?" she asked wandering over to the small kitchen tucked into a corner.

"A beer please." I said. "The same for me." said Shen. She opened a couple bottles and handed them to us.

"Here's to art..." I paused looking for Shen. By now he had passed out on the edge of the bed from late hours, stressful opening and probably too much to drink. She looked back at him, too, and smiled. It was now just the two of us and I really didn't know a damn thing about art.

"Come here." she said beckoning me across the loft. I walked over to where she was now standing by the huge windows with a twinkling city behind her. She took my bottle.

"Kneel down." she commanded. I did as asked before her on the floor.

She took hold of the hem at either side of her skirt and ever so slowly began to pull it up. It began to lift from just below her knees, over them and up along her thighs. I glanced up very briefly a couple of times and she sat there smiling seductively at me.

The skirt continued its upward journey and as it swished against her long legs. She stopped again just before I could see everything, almost, as the blackness under the last bit of skirt still protected her final shred of dignity.

And with that she tugged her skirt up the last couple inches exposing her dragon tattoo.

"Would you like to see a true piece of art?" she asked.

"I would." I said swallowing deeply as her body filled the space in front of me. And with that she tugged her skirt up the last couple of inches exposing her dark triangle of dragon tattoo. I knelt there just gazing at it. She pulled her skirt up past her hips and then opened her legs before me to give me a better view.

I leaned forward and began to run my hands up her legs. Starting at her knees, I let them travel slowly up along her thighs, past her stocking tops to her triangle of pubic hair. I stopped briefly and Layla, who had her head thrown back

She was rubbing one of her breasts with one hand as she reached underneath her with the other and grabbed hold of my balls.

with eyes shut in anticipation, opened them to see why I had stopped.

"Just teasing." I said before continuing.

She closed her eyes again and gasped in anticipation as my fingers reached her outer lips. Gently I pulled them apart and peered inside for a moment before bending my head and letting my tongue begin to probe her depths. Sue emitted a hoarse moan as I proceeded, moaning more and more loudly as I continued. I stuck my tongue deep into her to taste her juices and then pulled back a bit and began to roll her clit between my teeth. She cried out as soon as I started, spread her legs wider still and pulled me tightly into her with her hands around my ears.

She began to flinch beneath me. I could tell she was close to coming and quickly rammed two fingers inside her and began to finger-fuck her furiously. Unable to take any more, Layla climaxed, her body shuddering violently against the window.

She straightened up and pulled me to my feet as well and began to undress me. I helped her with the process and was soon standing before her in just my shorts.

"I think it's my turn to see what you've got now, don't you.?" she said and she knelt down before me and pulled down my shorts. "My, my, young man." she said when she was done, so as I stood before her now completely naked and fully erect.

She stood up again and began to undress herself as I lay down on the bed next to a still sleeping Shen. She undid her silk blouse and threw it aside, then her bra to reveal her full round bosoms and finally unzipped her skirt, slid it down and stepped out of it. She stood by the bed totally naked except for her high heels and ran her hand across my body and down towards my groin before joining me on the bed.

She lay on top of me and made me harder still as her breasts pushed against my chest. We kissed for the first time and immediately our tongues met desperately, lust quickly taking over. My hands trailed down over her back to her ass and I gripped both cheeks in my hands. We began to grind our bodies against each other, my dick rubbing against her still-moist pube hairs.

I reached down and took hold of my dick as she lifted her body up a little and slowly lowered herself down onto me again. We both groaned as I entered her and slowly began to thrust in and out.

She didn't move for a short while as she got used to the intrusion but soon her juices eased the initial tightness. Before long she was bouncing noisily up and down on me matching my thrusts and moaning with each stroke. I got her to dismount and kneel before me on the bed. I got behind her and, gripping her big meaty ass cheeks, pushed into her again.

I dug my fingers into her butt as I gripped her and pulled her onto me harder. I pounded into her and I could feel my climax building up inside. She was rubbing one of her breasts with one hand as she reached underneath her with the other and grabbed hold of my balls. This was too much. Pulling her onto me as hard and as fast as I could – I came, jetting semen deep into her.

She sat back a little and opened her legs wide again as I lay there watching her. She parted her pussy lips with one hand before sliding two fingers deep inside her with the other, closing her eyes and throwing her head back as they entered her. She removed them, covered in my sticky juices, and then proceeded to lick them clean. She did this a few times until she couldn't get any more and then began to finger herself in front of me, working herself up to another climax.

In the morning I wake up to see all three of us laying in her bed. I shook Shen until he woke up and told him we had to leave. He sat up rubbing his eyes, looking around the loft and refocusing at the naked body of Layla still asleep on the bed.

"What happened?" he asked.

"We better get out and go home." I said insisting he get up and we get out before she wakes up. Shen stumbles up, still groggy from last night. We get into the old elevator and go downstairs. We hail a cab out front, and I think I'm going to like this art scene.
